16.051 Grounds Maintenance – Repairs to damaged ground

Cllr Tubb explained that quotes had been received to repair the ground damaged by the paving contractor in the winter. However, these had been high and were not budgeted for. Mr Ronson had offered to undertake the work on a voluntary basis. She advised that legally it would be advisable to employ Mr Ronson on a temporary fixed-term contract which would ensure he was covered by the PC's insurance. A JCB and a dumper would be rented and the spec. advised by the ground's contractor would be followed. This approach would save the council a significant amount of money and it was agreed this would be an acceptable way forward.

MOTION: To agree to engage Mr Ronson to repair the damaged ground, on a short-term employment contract and to rent the necessary equipment to facilitate the work, PROPOSED By Cllr Wyatt, SECONDED By Cllr Tubb and AGREED.

The clerk would arrange to take Mr Ronson's NI number and date of birth and Cllr Tubb would draw up a suitable contract for signing that afternoon.

The meeting closed at 9.20am
